GOOD
HANDMADE | LIMITED | AMMERSEE

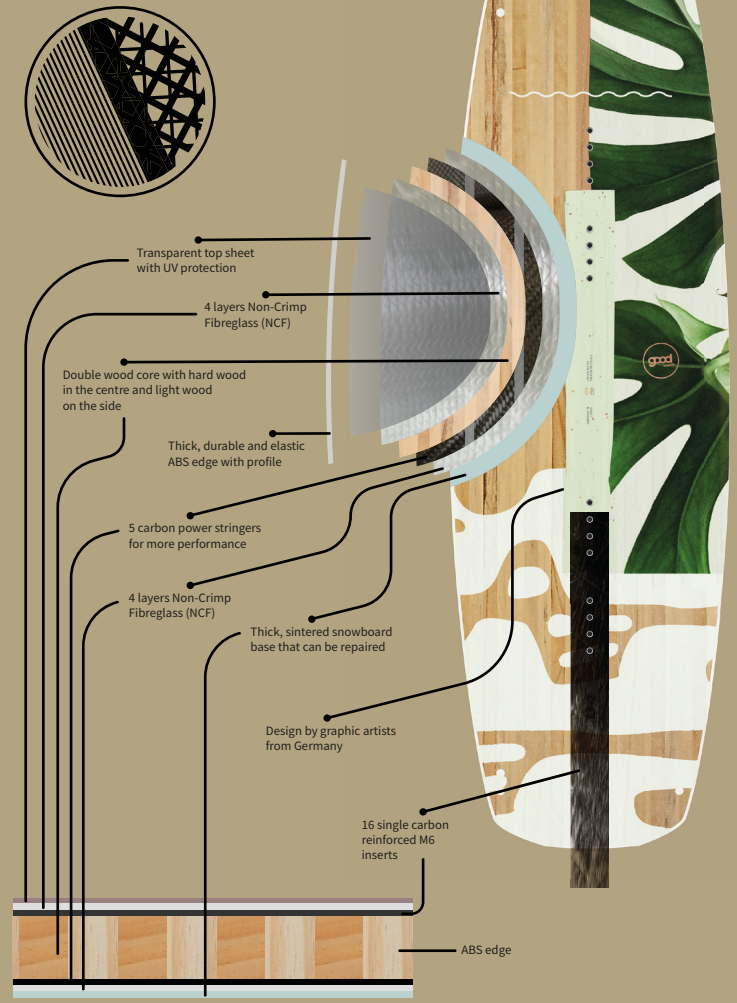

After 21 years in the snowboard industry, I founded the board brand goodboards in 2010. My aim was to develop and produce my own durable boards in Europe so that boarders can have longer and more fun. With goodboards, I want to offer a conscious and ethical alternative to conventional boards. With a lot of passion and positive thinking, I look ahead optimistically, listen to what the customers want and organise over 140 test days per year.

Josef Holub
Founder and owner of goodboards
