

GOODBOARDS

15 YEARS OF QUALITY DURABILITY REGIONALITY.

goodboards is an owner-managed company from beautiful Lake Ammersee in Bavaria.

The reasons why shops, cables and end consumers buy **good**boards:

- Durable wakeboards, because we only use premium materials
- Regional handmade production in Europe with short and safe transportation routes
- Selective sales via local speciality shops
- Limited series of only 10 to 130 boards per model
- Over 60 test days with expert advice, mostly from the founder
- Implementation of customer feedback
- Intelligent and true sustainability
- Thick, sintered snowboard base that can be repaired
- 4 layers of fibreglass and 5 carbon stringers
- Inserts in hardwood and reinforced with carbon
